## PENNSYLVANIANS NEED RELIEF

(Ms. HOULAHAN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. HOULAHAN. Madam Speaker, Pennsylvania, like the rest of the country, is in the midst of both a public health and an economic crisis. This clearly isn't news to anyone. We have been here for months now.

My community—the people whom I represent—are looking to us—the people whom they just cast ballots for—to comprehensively address this crisis. No matter which side of the aisle that you are on, Madam Speaker, we have a collective responsibility to address the COVID pandemic from both the public health and economic perspective.

I have been in my community talking to small business owners. Hard-working Pennsylvanians need Federal support to weather this crisis. An economic recovery cannot ignore the needs of our small businesses. That is not recovery at all.

We need to pass my Paycheck Protection Small Business Forgiveness Act to expedite forgiveness for Paycheck Protection Program loans for less than \$150,000, which accounts for more than 90 percent of PPP borrowers across the country.
